

Candidate Statement: Janine V. Schilling

3278 S. Nepal Way

How long have you been part of the community?

I have lived here since 2005.

Please provide a brief description of your background and experience.

Most of my working career was spent in elementary education. I have always been a keen gardener and have enjoyed the challenges of learning to grow in Colorado's climate.

Please explain why you want to serve on the Metro District Board and describe any goals you wish to accomplish if elected.

I hope to remain on the Board to continue serving on the landscaping committee. We have plans which will beautify our grounds while saving water and carefully and responsibly using funds for materials which will thrive in our Xeric conditions.

Have you attended or participated in the District's Board Meetings?

Only as a Board member.
